Conference 2021 Agenda

Agenda for SEIA VIC 2021

Day 1

8:00-9:00	Registration for CPD day and networking time
9:00-9:15	Welcome to the conference and SEIA VIC business briefing time
9:15-10:15	CPD Training Session: Employing staff has many pitfalls, and as most installers are small businesses, it is important to be informed about HR issues when employing or dismissing staff. Presented by NECA
10:15-10:45	Networking and product display (Includes morning tea)
10:45 - 12:15	CPD Training Session - Being able to get your jobs inspected to reduce cashflow issues and the necessary changes to inspections for this to happen in the state of Victoria. Plus, some common issues in installation practices. Presented by NECA
12:15 -1:45	Networking and product display - (Includes lunch)

1:45 - 4:15 <i>Attendees will be split into 2 groups for a more intimate session. - Then each group will swap streams</i>	CPD Training Session: Stream 1 A hands-on demonstration, highlighting, amongst other issues, battery storage safety especially in relation to AS/NZS5139. Presented by Selectronic/PowerPlus	CPD Training Session: Stream 2 Design scenarios. Installers will be split into small groups to design a Victron solution. Each group will then present their solution for group discussion/ feedback/endorsement. Presented by Victron/DPA Solar
6:00 - 7:00	Networking / Sponsor drinks	
7:00	Formal Dinner - (Includes technical trivia)
